

INVITATION LETTER

To,

Dear all honorable Presidents, General Secretaries and the specialists concerned with the Societies of otorhinolaryngology-Head and Neck Surgery of the ASEAN countries.

As you, all know that the Myanmar Society of ORL HNS under the umbrella of Myanmar Medical Association will host the 17th ASEAN ORL HNS Congress on 16 to 18 of November 2017 at Melia Yangon Hotel, Yangon, Myanmar.

This Congress is the regular Official function of the academic and the cultural activities of the ASEAN ORL HNS Federation that is holding every two years. As the official term of the Federation's Office bearers also ends at the same time, we will be having a business meeting of the Federation on 16 November 2017.

Therefore, all the Presidents, Secretaries and the important members of all the ASEAN ORL HNS societies are cordially invited to attend this important Congress and the business meeting to select next office bearers and the next Congress's host. The time and venue of the meeting will be announced in the Congress book.

The Theme of this congress is **“United and concerted to move forward for the progression of ORL HNS technology”** and the highlight of the Academic program is the **“The Management of head and neck cancers”**

The Theme of the Congress denotes the importance of Asian culture and traditional value of solidarity and unity. At the same time, it is also calling for the ASEAN force of concerted effort to move forward hand –in-hand to attain the highest International standard.

We therefore, earnestly urge all of you to come forward to show our ASIAN Value of Culture, Solidarity and ASEAN Force to the international community by bringing all of your colleagues to participate in this International Congress.

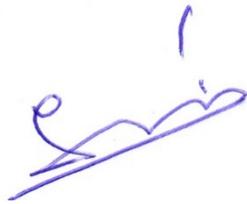

There will be a Concert on the cultural performances of all the member societies at the Gela Dinner on 17 November 2017. All societies are expected to expedite their best cultural performances.

Kindly see the attachments for early bird registration, the submission of the topics for presentation and the guidelines for abstract submission.

I would be grateful if you can pass these information and the attachments to all your members through the internet links

Looking forward to seeing you soon.

Best regards

Prof. Soe Tin
