MESSAGE FROM COURSE DIRECTOR

Dear Colleagues,

It is a great pleasure on us to invite you to the 'USM International Head & Neck Cadaveric Workshop 2017' which will take place in the beautiful Health Campus USM Kubang Kerian, Kelantan on the 15th August -17th August 2017. This will be a unique platform for the Master candidates, budding head & neck surgeons, junior maxillofacial surgeons, ophthalmology colleagues and related paramedics to polish and upgrade their knowledge and practices pertaining to the head and neck surgery.

This 3 day workshop is a blend of theory session, cadaveric hands on sessions and live surgery sessions with the opportunities to have a live discussion with the operating surgeons while the surgery is in progress. We have put up sessions such as maxillectomy, orbital exenteration, mandibulectomy and plating among other common head and neck surgeries which will be of great use not only for the ENT surgeon but also for the vibrant junior OMF and ophthalmology colleagues.

I am sure everybody will have an enjoyable 3 days stay in Kota Bharu as the city and the people has much to offer. We have several white sandy beaches, arts and crafts tourist attractions, local foods and delicacies as well as local wet and dry markets that await everybody with a warm welcome.

Thank you and have a pleasant and enjoyable stay in Kota Bharu.

Dr. Norhafiza Mat Lazim
Course Director
