Jalan Yaacob Latif, Bandar Tun Razak, 56000 Cheras,
Kuala Lumpur

MESSAGE FROM THE ORGANIZER

Dear Doctors,

Welcome to the 56th UKM Temporal Bone Dissection Course 2023. This Course is made known to ENT Surgeons and Trainees by Professor Dato' Dr. Lokman Saim since 1992.

We believe Temporal Bone Dissection is remain the most important methods of studying the anatomy of the ear and a mandatory procedure before one is allowed to perform Otological and Neuro-Otological Surgery. Our course is limited to small number of participants per session.

Our Academia is well equipped with a microscope, suction pump, micro drill and a basic surgical instruments set.

I sincerely hope that this dissection course will benefit all the participants in theoretical knowledge and clinical skills.

I wish you an enjoyable Temporal Bone Dissection Course.

PROFESSOR DR. ASMA ABDULLAH

Course Director

56th UKM Temporal Bone Dissection Course 2023

PROFESSOR DR. GOH BEE SEE

Deputy Course Director
